

PRESIDENT'S MESSAGE, July, 2010

Rick Layton, President, Taberna Homeowners Association

The monthly Board meetings will be held at the HOA office on the 1st Wednesday of each month at 5:30 PM. The next meeting will be on July 7th. The office is located at 3950 US Highway 70 East and Thurman Road.

At the June 2nd meeting the HOA Board voted on the proposed changes to Todd Denson Park. The Board passed the proposal and changes will be made to the park including a fenced dog area and new games. This should make the park more enjoyable to all members of the community. The proposal was described in the April issue of the Taberna Tribune and is also on the TabernaHOA.org website.

The Board was asked by Jim Gruenebaum if he could talk with NC Wildlife Resources about re-stocking Lake Lehman. This will entail looking at the current fish count, algae problems, and making sure we have the proper balance of game fish in the lake.

There have been a number of complaints about residents who do not pick up their dog droppings. If you walk your dog please pick up after them. There have been a number of dogs being walked without a leash. These issues are against a City of New Bern Ordinance, and you can be cited on the spot with a ticket.

I would like to recognize a couple of long time volunteers to the community. In particular Ron McCausland who in difficult times has kept the B&G committee running smoothly. Ron has ensured that poles have been painted, community property mowed and maintained. Give him a thanks when you see him. Also, I want to mention Glen Killion who has ensured that the flags are flying over Taberna. The large flag on Memorial Day weekend was a sight to behold.

I have asked for more volunteers to assist the Taberna committees. We have not had a very good response. If you have a little time to assist in keeping Taberna the community you want it to be, please give us a hand.

If you have questions for the Taberna Board of Directors or you want to report something in the community, please send them to covenantsthoa@gmail.com.
